Dear Dance Parents,

On May 8th and 9th, the San Mateo High School Dance Department will be having its annual year-end dance concert, entitled, "Mateo Motion VI". All students enrolled in dance classes at San Mateo will be performing in this show. The students are in the process of learning dance choreography as well as creating their own choreography for this performance. I wanted to update the schedule information you received at the beginning of the school year regarding rehearsal dates and times. Please remember that the students are graded on their attendance to rehearsals and, of course, the performances. It is important that they attend all of these events in order to pass the class.

There will be three rehearsals and two performances that the students must attend. All rehearsals will be run in the Performing Arts Center. The dates are:

- Rehearsal: Monday, May 4th from 6:30 pm-9:00 pm
- Dress Rehearsal: Wednesday, May 6th from 6:30 pm -9:30 pm
- Dress Rehearsal: Thursday, May 7th from 6:30 pm - 9:30 pm
- Performance: Friday, May 8th Call: 6:00 Performance: 7:30
- Performance: Saturday, May 9th Call: 6:00 Performance: 7:30

For the show to run smoothly, we will need your help. I have attached a sign up sheet listing the areas where help is needed. Any time you could volunteer would be greatly appreciated. Please fill out the attached "Volunteer" form and return it to school as soon as possible.

You will also find a ticket pre-order form, a tee shirt order form, and a dvd order form. Please fill out the ticket form and tee shirt form and return it to me ASAP. You can send in the dvd order form on your own.

Thanks you so much for your time and attention. With your help, "Mateo Motion VI" will be a successful, positive experience for everyone involved.

Sincerely,

Robyn Tribuzi
