## Romeo and Juliet

By William Shakespeare

Boy meets girl. Boy marries girl. Girl plays dead. Tragedy ensues. The enduring romance of star-crossed lovers is the perfect choice to start our season. Join us as we recreate Verona, with all the passion and swordplay that has made this one of Shakespeare's most enduring classics. Directed by Brad Friedman. Originally scheduled to be shown in San Mateo High School's new outdoor *Amphitheater*, the play will instead be shown, complete with reserved seating, in the **Performing Arts Center**.
