Into the Woods

San Mateo High School
presents:

Music and Lyrics by Stephen Sondheim
Book by James Lapine

Sondheim's funniest and warmest show takes the characters from many favorite fairy tales, including Little Red Riding Hood, Cinderella, Rapunzel and Jack (of beanstalk fame), and sends them into the woods with a simple Baker, a Big Bad Wolf, two handsome princes and a rapping witch to make all their wishes come true. Only after they start to live "happily ever after" do our characters discover that nothing comes easy, but that every one of life's hard lessons is easier to take when we have family to love. With a beautiful score and a message of hope, this is one of our favorite musicals and is sure to become one of yours as well.
